

Independent Auditor's Report

**To The Members of Fabsafe Technologies Private Limited
Report on the Audit of the Standalone Financial Statements**

Opinion

We have audited the accompanying standalone financial statements of **Fabsafe Technologies Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2023, and the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended, ("Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, its loss and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report, but does not include the consolidated financial statements, Standalone financials statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone

financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Annexure “A” to the Independent Auditor’s Report
(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Fabsafe Technologies Private Limited of even date)**

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Fabsafe Technologies Private Limited** (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including

the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that degree of compliance with the policies or procedures may deteriorate.

Notes forming part of the standalone financial statements for the period ended 31st March, 2023

1 Corporate Information:

Fabsafe Technologies Private Limited ("the Company") is a Private Limited Company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The registered office of the Company is located at 715, Janki Centre, Off. Veera Desai Road, Andheri West Mumbai, Maharashtra India. Fabsafe Technologies Private Limited is engaged in the business manufacturing, designing of laminar air flow, air showers, dispensing/ sampling booths, dynamic/ static pass boxes and injectable lines & bioreactors for pharmaceutical and allied industries.

2 Significant accounting policies:

(i) Basis of accounting:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

(ii) Use of estimates:

The presentation of the financial statements in conformity with the Indian GAAP requires the Management to make estimates and assumptions that affect the reported amount of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. The Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and estimates are recognised in the period in which the results are known / materialise.

(iii) Revenue recognition:

Revenue from sales is recognised when the significant risks and rewards of ownership of the goods are transferred to the customers. Sales are net of sales returns and trade discounts. Installation and commissioning income is recognised when the service is rendered. Interest income is recognised on a time proportion basis. Dividend income is accounted when the right to receive is established.

Revenue from construction activities is recognised only to the extent of cost incurred till such time the outcome of the job cannot be ascertained reliably. When the outcome of the contract is ascertained reliably, contract revenue is recognised at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage completion is the proportion of cost of work performed to-date, to the total of estimated contract costs.

Amounts included in the financial statements, which relate to recoverable costs & accrued margins, if any, not yet billed on contracts are classified as "Unbilled Revenue."

(iv) Export Incentive:

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

(v) Property, plant & equipment and depreciation:

All Property, plant & equipment are stated at cost of acquisition less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price and any other attributable cost of bringing the assets to its working condition for its intended use.

Depreciation on property, plant & equipment has been provided using the straight line method in the manner and at the rates prescribed by Schedule II of the Act. Depreciation on addition/deletion of Property, plant & equipment made during the year is provided on pro-rata basis from / upto the date of each addition / deletion.

Individual assets costing less than Rs 5,000 are depreciated fully in the year of purchase.

Intangible assets are amortised over their estimated useful life using the straight line method in the manner and at the rates prescribed by Schedule II of the Act.

(vi) Capital work-in-progress:

Projects under which tangible assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest (if any).

(vii) Borrowing costs:

Borrowing costs that are directly attributable to the acquisition of qualifying assets are capitalised for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(viii) Impairment:

The carrying amount of fixed assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. Impairment loss is provided to the extent the carrying amount of such assets exceed their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

(ix) Investments:

Long term investments are stated at cost and provision for diminution in value is made to recognise a decline other than temporary. Current investments are stated at fair value.

(x) Inventories:

Inventories are valued at the lower of cost and net realisable value.

The cost is determined as follows:

- (a) Raw and packing materials: FIFO method
- (b) Work-in-progress: At material cost absorbed on weighted average cost basis and production overheads
- (c) Finished goods : At material cost absorbed on weighted average cost basis and production overheads.
- (d) Stock-in-trade : FIFO method

Notes forming part of the standalone financial statements for the period ended 31st March, 2023

(xi) Employee benefits:

(I) Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss in the year in which the related service is rendered.

(II) Long term benefits:

a. **Defined Contribution Plan**

Provident and Family Pension Fund

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident and family pension fund, in which both employees and the Company make monthly contribution at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary subject to a minimum contribution of ₹780 per month). The contributions are made to the Regional Provident Fund Commissioner. Provident Fund and Family Pension Fund are classified as Defined contribution plans as the Company has no further obligations beyond making the contribution. The Company's contribution to Defined Contribution Plans are charged to the statement of profit and loss, as incurred.

b. **Defined Benefit Plan**

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for gratuity benefits payable in future based on an independent actuarial valuation as at the Balance Sheet date, using the projected unit credit method. Actuarial gains and losses are recognised in the statement of profit and loss.

Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment / availment. The liability is provided based on the number of days of unutilised leave at each balance sheet date on the basis of an independent actuarial valuation as at the Balance Sheet date, using the projected unit credit method. Actuarial gains and losses are recognised in the statement of profit and loss.

(xii) Foreign currency transactions and translations:

(a) Foreign currency transactions are recorded at the exchange rates that approximates the actual rate at the date of the transaction. Gains and losses arising out of subsequent fluctuations are accounted for on actual payment or realisation. Monetary items denominated in foreign currency as at the balance sheet date are converted at the exchange rates prevailing on that date. Exchange differences are recognised in the statement of profit and loss.

(b) The Company holds derivative financial instruments such as foreign exchange forward contracts and option contracts to mitigate the risk of changes in foreign exchange rates on foreign currency assets or liabilities and forecasted cash flows denominated in foreign currencies. The counterparty for these contracts is generally a bank or financial services company. The Company regularly reviews its foreign exchange forward.

(c) Forward foreign exchange contracts outstanding as at the Balance Sheet date are converted at the exchange rates prevailing on that date. Exchange differences are recognised in the statement of profit and loss.

(xiii) Taxation:

Tax expense comprises current and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rate and tax laws enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

(xiv) Provisions, contingent liabilities and contingent assets:

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are recognised only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Other contingent liabilities are not recognised but are disclosed in the notes to the financial statements.

Contingent assets are not recognised in the financial statements.

(xv) Lease:

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognized as operating lease. Lease rentals under operating leases are recognized in the Statement of Profit and Loss on a straight-line basis.

(xvi) Cash Flow Statement:

Cash flows are reported using the indirect method, where by profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(xvii) Earnings per share (EPS):

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

(xviii) Operating Cycle:

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
