INDEPENDENT AUDITORS' REPORT

To

The Members of

KELVIN AIR CONDITIONING & VENTILATION SYSTEM PRIVATE LIMITED

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of **KELVIN AIR CONDITIONING & VENTILATION SYSTEM PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2024, the Statement of Profit and Loss ended, and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, Profit & Loss Account and cash flow for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, and Business Responsibility Report but does not include our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. On the basis on the work, we have performed we conclude that there is no material misstatement of this other information that would require to be reported.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

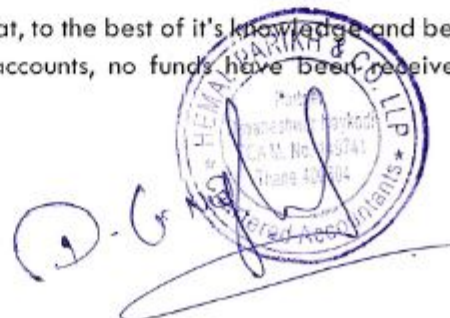

As required by Section 143(3) of the Act, we report that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

D. G. N. [Signature]

2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
3. The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
4. In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
5. On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the board of directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
6. Since the Company's turnover as per the last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year are less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017; and
7. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - c. There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.
 - d. (i) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (ii) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the

company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to the notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

- e. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
8. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
9. The company has not used accounting software with an audit trail (edit log) feature. The management faced constraints on selecting the appropriate software vendor in delivering and installing the required updates, which prevented the immediate implementation of audit trail-compliant software. Additionally, the company is fully capable of ensuring that the books of account and other relevant records are retained completely in their original format or in a format that accurately presents the information. The company ensures that the data remains complete and unaltered, thereby maintaining the integrity and reliability of the records. The management is aware of the importance of using audit trail-compliant software and is actively exploring options to upgrade the current system to include an audit trail feature in FY 2024-25 as part of its commitment to full compliance with statutory requirements.

NOTES TO THE FINANCIAL STATEMENTS

1) Corporate Information

KELVIN AIR CONDITIONING AND VENTILATION SYSTEMS PRIVATE LIMITED, is a private company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is engaged in the business of integrating HVAC applications in pharmaceuticals & laboratories, hospitality, IT, healthcare, Data centers, Fit-outs, Industrial, Institutional, Heritage buildings, Government projects, and Core and Shell projects.

2) Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2017. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

Statement of significant accounting policies

a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Except in cases of contractual commitments, revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

(i) Sale of goods is recognized on shipment or dispatch to customers when the risks and rewards of ownership are transferred to the customer. Sales are net of GST, returns, trade discounts, and volume rebates

(ii) Revenue from Service is recognized in the statement of profit and loss once the service is rendered to the satisfaction of the customer and the right to receive the amount is established. Revenue is recorded net of discounts and tax if any.

(iii) Interest income is accounted for on a time proportion basis taking into account the amount outstanding and the rate applicable

(iv) Dividend income from investments is recognized when the Company's right to receive payment is established

(v) Commission income on indenting business is recognized based on intimation received for sales made

c) Property, Plant and Equipment and Intangible Asset

Property, Plant and Equipment are stated at cost of acquisition or construction (including directly attributable expenses thereto) or at revalued amounts, net of impairment loss if any, less depreciation/amortization. Cost includes financing costs of borrowed funds attributable to the acquisition or construction of qualifying fixed assets, up to the date the assets are put to use. Acquired intangible assets are recorded at their acquisition price and amortized over their estimated useful life as per the Company's depreciation/amortization policy.

d) Depreciation and Amortization

Property, Plant, and Equipment are depreciated on a written down value basis applying the rates specified in Schedule II to the Companies Act, 2013 as under :

Assets	Useful Lives
Furniture, Fixture & fittings	10 years
Office Equipments	5 years
Computers (desktops, Laptops)	3 years
Vehicles	8 years

Intangible Assets are amortised on the straightline method over a period of five years.

e) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are valued at a lower of cost and fair value. Changes in the carrying amount of current investments are recognized in the Statement of Profit and Loss. Long-term investments are valued at cost, less any provision for diminution to recognize a decline, other than temporary, in the value of such investments; decline, if any, is charged to the Statement of Profit and Loss. Cost comprises the cost of acquisition and related expenses such as brokerage and stamp duties.

NOTES TO THE FINANCIAL STATEMENTS

f) Inventories

Inventories are valued at a lower of cost and net realizable value. Costs ascertained on a moving weighted average basis except for goods in transit which are ascertained on a specific identification basis. Work-in-progress and manufactured finished goods are valued on a full absorption cost basis and include material, labor, and factory overheads.

g) Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded are recognized as income or as expense in the Statement of Profit and Loss for the year. Monetary item having Closing Balances at end of the year are recorded at closing rate

h) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

i) Income Taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

j) Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

k) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

l) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and equivalent diluted equity shares outstanding during the year, except where the results would be antidilutive

m) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
